### Alberta To Drop Emergency Teacher Training Program

EDMONTON (CP) — W. E. Frame, the Alberta education department's chief superintendent of schools, says it is the department's intention to discontinue the province's emergency teacher training program after two more summer sessions. Mr. Frame said the scheme, instituted in 1954 to alleviate the teacher shortage, will be closed gradually.

Since 1954 students who passed given a document entitling them to after the six-week course were teach.
