

EAST KILDONAN COMMUNITY CLUB HARD AT WORK

British American Oil Co. donated the above building to be used as a clubhouse on the Montrose ave. site of the East Kildonan Community club, Eastern Division, and members toiled on Saturday to rush its erection. Members of the club moved the building on trucks donated by the Building Products and Coal Co. The Canadian Co-operative Implements and M.

Wozniak, of Washington Fuel, also donated equipment and manpower to assist in clearing the 2 3/4 acres donated by the municipality. The club now has a membership of 150 and takes in the area east of Roche st. and six blocks north of Montrose ave. Poles for the wiring of the skating and hockey rinks have been erected.—Winnipeg Citizen.
