end.

East Kildonan Celebrates

Thousands of adults and children of East Kildonan turned out en masse to celebrate the anniversary at a celebration held on the Bronx avenue football grounds.

The programme in the afternoon was opened with the singing of "O Canada," which was led by the Ukrainian choir, after which Reeve D. J. Allan, who acted as chairman, started the proceedings with a brief address, during the course of which he stated that the people of Manitoba were not only celebrating the Diamond Jubilee of the province entering Confederation, but also the completion of the Hudson Bay railway, which made Manitoba a maritime province, and the handing over to the province of its natural resources.

Arnold M. Campbell, president of the Lord Selkirk Settler's association, was the other speaker of the afternoon, who gave an historical review of the arrival of Lork Selkirk and his contingents of settlers, remarking that East Kildonan, in addition to celebrating the Diamond Jubilee of Manitoba, were celebrating the 118th anniversary of the arrival of these pioneers. He told the large gathering of the trials and tribulations they went through, including a grasshopper plague and floods, and the feuds which raged between the two trading companies operating in the west at that time.

Platform Attractions

The addresses were interspersed by some interesting platform attractions, which included a Maypole dance by small girls, under the direction of Mrs. Wallace; the singing by the Ukrainian choir, of about 50 voices, all members of whom are residents of East Kildonan, who sang under the direction of P. Yundack. For their first number they chose "One Glorious Day," which they sang in Ukrainian, and for an encore sang a folk song of their native land in waltz time.

Another interesting feature of these attractions was the Highland dancing to the pipes, played by Piper Wray.

Sports Programme

In addition to a sports programme for the children, held in the afternoon, there were competitions for decorated bicycles, kiddie cars or tricycles, wagons and doll carriages. R. Fitchett, of 289 Bowman avenue, won first prize in the decorated bicycle contest, the second winner being Campbell Taylor, of 246 Melbourne avenue.

Ronald Gee won the kiddie car contest, while James Southall annexed the prize for the decorated wagon. The winners in the decorated doll carriage contest were: 1, Alice McDonald; 2, Lorna Taylor; 3, Jean Wellwood; 4, Joan Wallace.

In the evening the platform attractions were repeated, with the addition that Ukrainian folk dances also were staged, while the speaker was Rev. R. G. McBeth, who reviewed the history of the province. All the speaking and singing was conveyed to the assembly by means of a large amplifier.

Lining up on Portage avenue, St. James, at the city limits at 10.45 o'clock yesterday, a huge parade
