

East Kildonan Welfare Association

246 Melbourne Avenue,
East Kildonan.
Dec. 1, 1931.

Dear Sir,—The Emergency Welfare association of East Kildonan desire to thank those who responded to their appeal for articles of clothing, beds, stoves, etc. Such goods are being disposed of from the basement of the Polson school which was given for this purpose by the school board. A telephone (No. 501 924) has been installed there. An efficient receiving and distributing committee is in charge. A horse and wagon is available for the collection of goods.

Though the response to our appeal was very generous, the need is greater than it can meet. We therefore ask all who have not yet done so to go through their homes and gather all unwanted goods which can be used by those in less fortunate circumstances. Phone 501 924, and it will be picked up. Everything will be fumigated, laundered and repaired before distribution.

Many societies have associated themselves with this work; a few have not done so. But still more assistance is sorely needed. The Emergency Welfare association will meet at the Prince Edward school at 8 p.m. on Friday. This is the opportunity for those who have not yet joined us to do so. The invitation is also extended to private individuals who are interested in the work. A hearty welcome is assured you.

One of Canada's finest theatres, the Roxy, has been very graciously placed at our disposal for a Sunday evening concert by the management. The date and programme will be published in The Elmwood Herald next week. Look for this announcement.

The committee are very gratified at the wonderful response to their efforts everywhere in our community and will do their best to justify the confidence placed in them.

The Emergency Welfare Assn.
of East Kildonan.

ARCHIE TAYLOR,
Ph. 503 480. Secretary.
