

# Ukrainian Catholic Church Official Opening Sunday

On Sunday, at 3 p.m. His Grace Bishop Maksym Hermaniuk, Bishop-Coadjutor of the Ukrainian Catholic Exarchate of Central Canada, will officially open the new Ukrainian Catholic Church of the Holy Eucharist, corner Watt and Munroe.

The opening ceremony will consist of High Mass at which Bishop Hermaniuk will be assisted by the Winnipeg clergy and those of neighboring districts.

The building of the new church was commenced on June 21st, 1934, under the direction of the well-known architect, Very Rev Canon Phillip Rhue, O.M.I. of Cook's Creek, Man.

General contractor was Steve Zulak.

Built in the form of a cross, the new church is of brick construction measuring 116 feet by 36 feet, with the cross section measuring 56 feet in width. The domes are copper covered. To date the cost of construction is \$125,000.

A large auditorium with a seating capacity for over 400 forms the basement of the new building.

The new building is situated six blocks north of the old church, which had served the community since 1918 at the corner of Montrose and Watt, but which had been found inadequate for the present needs of the constantly growing congregation.
