

LORD WOLSELEY SCHOOL NEW ADDITION

Lord Wolseley School celebrated the opening of their new addition at the annual school tea, May 16, 1972.

Mr. B. Glavin, Chairman of River East School Board, officiated at the ribbon cutting ceremonies and expressed tribute to all those whose sustained effort achieved such gratifying results.

Following a variety program presented by students of the school, Mr. W.S. Green, Assistant-Supervisor of Elementary Schools opened the tea.

The theme this year was "Happiness Is" -- an expression of the feelings of all concerned (with the school) that the building was finally completed and a dream realized.

The enthusiasm and zeal of the students for their new

facilities is boundless.

Much praise must be given to the staff for their patience and understanding during a trying year of construction.

The original and amusing decorations for the tea table and gymnasium were designed by Mr. L. Krause, Grade 5 teacher, ably assisted by Mrs. M. Orum, School Secretary.

The Lord Wolseley Home and School Association would like to express their gratitude and appreciation to all who participated in making this event a success, to the parents for their support and most especially to the local merchants and businessmen for their outstanding contributions.
