

DONATE AUTOMOTIVE EQUIPMENT: The automotive section of Melrose Junior High shops was augmented by the addition of three engine blocks, transmissions, a rear axle assembly and two out-board engines last Wednesday when members of the Kiwanis Club of East Kildonan presented the equipment to the school staff. It was a continuation of the club's activities in the field of vocational guidance. President C. J. Garvie formally turned the units over to John W. Hawryluk, principal, and Messrs. Starsiak and Olynyk, shop instructors. The addition of this type of equip-

ment in our shop curriculum has been instrumental in curbing absenteeism by some of our students by providing variety in the course," Mr. Hawryluk commented. This latest activity on the part of Kiwanis supplements the club's donation of books to the senior high school's library, career days and counseling service to graduating students. Left to right above, Chas. W. Bevan and Jack Gerlach, who arranged for the equipment for the club, Doug. Brewer, C. J. Garvie, J. W. Hawryluk, Chief Chris Einfeld, Michael Olynyk and Edward Starsiak.
