

## Melrose Junior High Staff Salaries

Melrose Junior High was the first school in the East Kildonan/North Kildonan area to be wholly devoted to junior high age students. It was located at Melrose Avenue now Kimberly Avenue and Roch Street. It opened after Easter 1955 when grade 7, 8 and 9 students along with their teachers from Prince Edward, Lord Wolseley and Salisbury Schools were transferred to this new school. Until Munroe Junior High opened in 1958 all junior high students in East Kildonan went to Melrose Junior High. All students in the Morse Place area went to Melrose until 1959 when Morse Place Junior High opened.

In 1961 it was sold by the East Kildonan School District to the River East School Division. This sale provided the funds to build a new junior high school at Leighton Avenue and Brazier Street (John Henderson). Students after Easter 1962 moved with their teachers to John Henderson. The Melrose Junior High building became the north wing of Miles MacDonell Collegiate

Melrose Junior High contained the first auditorium/gym in the East Kildonan/North Kildonan area and was used by many local groups prior to gyms being built in other schools. This gym is now known as Gym B of Miles MacDonell Collegiate.
