

## Students Move To New School

Eighteen classes of students from Melrose Junior High will move over to the new John Henderson Junior High School at Brazier and Leighton Monday morning.

The students affected are from grades 7, 8 and 9, with six classes from each grade.

The interior of the new building has been completed and in accordance with an agreement between the River East School Division and the Local Board, the Melrose Junior High School is being vacated.

The exterior of the new school is not completed and this work will be done as soon as the weather permits. The formal opening of the John Henderson School will take place at a later date, when this work has been finished.
