

Shopping Centre For E.K.

A \$500,000 modern community shopping centre, designed to meet all the needs of the family, opens Thursday in East Kildonan when the Shop Easy store will be officially opened.

Munroe Shopping Centre, at Munroe Avenue and London Street, will serve East Kildonan, North Kildonan and Elmwood. In the near future it will house over 12 specialty shops, including a drugstore, barber shop, hardware, shoe store, beauty parlor, bank, automatic laundry and ladies' and men's wear shops.

The centre covers one block and contains ample space for 275 cars.

The new Shop Easy offers shoppers the latest shopping aids, fluorescent lighting with incandescent spot-lighting, soft background music, automatic doors, speedy check-out counters and easily-accessible shelves and counters, stocked with a wide choice of foods.

The meat will be packaged at the counter, with butchers on hand to provide customers with the special cuts. There will be a wide variety of imported cheeses and barbecue machines for chickens and a special "pie pantry" where pies can be bought the minute they come out of the oven. Quality fruits and vegetables and a complete selection of frozen foods will be provided as well as special dietetic canned foods.
