

New School for Kildonan East

By a vote of 38 to 0 the ratepayers in East Kildonan on Saturday authorizes the erection of a new school building. The cost of the edifice will be \$11,000, including \$2000 paid for the land. The school will be located half a mile northeast of Redwood bridge. The ground has already been broken and it is expected that the building will be ready for occupation by the fall. The contractor is Peter McCalman. Provision is made in the plans of the building for the erection of two wings, which will probably be built next year.
