## Board Cites Economy as Reason For Move—Pupils Transferred

Giving as their reason that of economy, the school board of East Kildonan, at a recent meeting, decided to close No. 1 Salisbury school, in Morse Place. It has been decided to transfer pupils to No. 2 Salisbury school, with the exception of 27 from grade 7, and these are to go to Polson school.

This means that the grade 7 children will have an additional mile to travel, and parents living in Morse Place have expressed to the board their indignation at this change and have asked for the matter to be reconsidered.

The board have agreed to this request and a meeting for this purpose will be held shortly.
