

Students To Plant Trees In E.K.

(Continued from page 1)

feet or over, and for the best Centennial display.

Prizes are \$25, \$15 and \$10 for the first two categories and a special trophy will be presented for the best Centennial theme.

July 3rd

July 3rd promises to be a big day in the lives of East Kildonan citizens.

A monster birthday party is being planned to celebrate the city's 10th birthday, as well as the 100th birthday of our country, by the Centennial Committee.

The Paddlewheel Queen has been chartered for the day and rides are being offered to all for a nominal sum. In addition there will be a pageant representing the arrival of the Lord Selkirk Settlers.

At Fraser's Grove Park the afternoon will be devoted to family fun with races and games to be followed by a band concert and possibly fireworks.

For the teens an outdoor dance will be held until late in the evening.

It looks like a lot of fun and everyone is urged to plan to spend the day at Fraser's Grove.

Unit 1 of Gordon-King Memorial U.C.W. will meet at the home of Miss Betty Lavender, 445 Bredin Drive, on Wednesday, May 17th, at 8 p.m.
