

# River East Institutes Driving Program

The River East School Division Board will institute a student driver education program in the schools this fall.

Approximately 100 students from River East and Miles Macdonell Collegiates have already signified their intention of enrolling in the extra-curricular course.

Trustee Arn McEwen, who has been working on this project for a number of years, is chairman of the Driver Education Committee. Working along with him will be Trustee Elmer Kennedy.

Mr. Mel Witwicki, Miles Macdonell, and Mr. Frank Zaborski, River East, are the two teachers [who will have charge of the program.

They recently completed a two-week course in student driver training at a school in Moose Jaw.

The Board already has an automatic car promised for the program, and now are working on securing a standard shift car.

Classes, which will be held on Saturdays and after 4, will commence the latter part of September or early October.

The Kiwanis Club of East Kildonan will assist with the program.
