

Students attended conference at U of M

Paul Berega and Jim Smith, students of Miles Macdonell Collegiate, attended a World Awareness High School Conference May 12-13 at the University of Manitoba.

Mr. L. Bugerá, head of the

school's social studies department, selected these two students on the basis of their excellent progress in the study of Canadian History.

The conference which helped the students unders-

tand the role of the United Nations in the development of third world countries took place at the same time as the U.N.'s annual meeting. This allowed students to listen to the excellent speakers.
